

Makaton Revised Training – Level 1

Friday 20th and Friday 27th September 2019, 12:30pm – 4:00pm,
Ashmount School

The Makaton Charity has combined the two previous training pathways for professionals and parents/carers into one route to make Makaton training more streamlined and easier to access. As a result, we are proud to announce the revised Makaton Workshops named Level 1 and Level 2.

These workshops are based on the previous Beginners' and Foundation Workshops and are a combination of the best of both. The Level 1 and Level 2 Workshops combined provide the same level of knowledge and vocabulary a complete Beginners' or Foundation Workshop.

About this course

This flexible and blended approach provides an interactive and hands-on workshop.

By combining the two pathways we have made Makaton training more streamlined which provides a more accessible and inclusive learning environment.

The workshops are now aimed at both professionals and parents/carers which means that all Makaton users can share a wide range of personal experiences, from using Makaton within the family to school, work and everyday life.

About the course leader

Kirsty North is Ashmount School's Lead Communication Mentor and Regional Makaton Trainer and she brings her first-hand experience of using Makaton and a range of other tools and approaches to support and enhance communication and learning.

Cost for both half day sessions
£95 (Member Rate)
£115 (Non-Member Rate)

Resources

The course fee includes a manual which include printed signs and symbols, so you can use your new skills straight away.

Lunch and refreshments are provided.

You will also receive a certificate of attendance.

Feedback

Feedback received from the pilot has been extremely positive:

- "Excellent course, best I've been on for ages"
- "I love the interaction"
- "I can't believe we have all learnt SO much!"
